STARS OF THE WEEK

| Class | Name | Reason | Reader of the week |
|-------|---------------|--|--------------------|
| RF | Noah B | Noah has demonstrated his right to play. He independently chooses activities which interest him and can invite his peers to join him. He demonstrates all the attributes of a good friend. | Betel A |
| RL | Cody C | Cody has demonstrated his right to express his views and opinions. He is becoming more confident during P4C lessons and takes other children's opinions into account in a respectful manner. | Harley-Jay W |
| RM | Maryam Q | Maryam has demonstrated her right to express herself freely. Maryam confidently expresses her view point in elaborate detail, drawing upon her prior knowledge and experiences whilst being mindful of others. | Devansh P |
| 1J | Hussain A | I have chosen Hussain as he has respected his right to choose his own friends. Hussain started at Billesley in the Summer term and has made lots of friends who he plays cooperatively with. | Huzaima A |
| 1M | Keira-Leigh R | I have chosen Keira as my star of the week, for respecting her right to an education. She has 100% attendance, and arrives each day with a positive attitude, ready to learn. Well done Keira! | Oliver K |
| 1S | Hannah L P | I have chosen Hannah because during class sessions she shares her thoughts and opinions and also listens to others. She is an amazing example of a rights respecting child. | Arjun S |
| 2T | Safa R | Safa is always making the right choices independently at school and her teachers never have to remind her how to behave! She is polite, always says 'please' and 'thank you' and always has a big smile on her face which makes Miss Triance very happy! Well done Safa! | Mohammed A-Z |
| 2G | Jamie C | Jamie showed his understanding of Article 24 which says children have the right to a clean and safe environment, during our science lesson this week when we went on a nature hunt around school. | Cian S |
| 2B | Aylia A | Aylia demonstrated her right to a religion this week when she shared her amazing Eid celebrations with us. She demonstrated Article 14 by telling us about Eid and bringing in some lovely treats to help us celebrate together! | Rhys-James M |
| 3Q | Elif U | Elif demonstrated freedom of expression during our PHSE session. She shared her thoughts and opinions on friendships and was respectful of other pupils ideas. Well done Elif! | Anni W |
| 3L | Hassan M | Hanzlah has been very excited to discuss how his family celebrate Eid. (Article 14) | Oliver S |
| 3G | Faria A | Faria is a focused and hardworking member of our class who tries her very best everyday. She has demonstrated her right to express her thoughts and opinions during our PHSE lessons this week when she made thoughtful contributions to our learning about healthy living. Well done! | Callum W |
| 4O | Rueben S | Rueben is a very thoughtful and caring member of our class, who shows a keen interest in UNICEF's Rights of the Child. He can articulate what they mean to him and how they could help others, making important contributions to our P4C sessions. Well done Rueben. | Harry P |
| 4K | Tooba A | For mature discussions around Article 13 'the right to find out things and share what you think with others' in our P4C lessons. She is always ready to share her opinions or ideas as well as considering other opinions too with the utmost respect." | Lacey-Leigh W |
| 4M | Saaliha Q | Marni has a good understanding of the Rights of the Child and is keen to explore these. She often refers to them in class especially P4C. | Ameera M |
| 5G | Lewis C | Lewis has had a great first week back and really impressed me with the way he worked very well in a group on Tuesday's Science Day. He demonstrated being an exemplary rights respecting child by sharing his ideas, listening carefully to other students and expressing some imaginative ideas in a thoughtful manner. | Parker K |
| 5L | Catherine W | Catherine accesses her rights through joining a wide range of groups, both within school and outside of school. She is always enthusiastic and passionate about her education, and her right to play, and can be seen encouraging other children to access their rights too. Well done Catherine. | Muhammad Z |
| 5M | Maria P | Maria understands her right to express her opinion and is someone who joins in enthusiastically with all our activities - especially on Science Day. She has also joined the Geography Ambassadors and TTRockstars clubs recently, in order to get her voice heard across the whole school. | Kabeer A |
| 6C | Dhruv L G | I am so impressed by how well Dhruv can articulate his rights and ensure that his peers understand them fully. Well done Dhruv, I've been super impressed with you this week! | Nabil D |
| 6B | Preston C | Preston has an impressive amount of knowledge about the UN and its formation. He is a fantastic Rights Ambassador and is always full of ideas and questions about his rights. I would definitely vote for him as Prime Minister! | Mohammed J S |
| 6W | Dhakeem P | For fully engaging in the post-SATs routine of Year 6, especially our radio day where he created a great piece about his favourite game - Fortnite - much like in Article 17 where children have the right access information from the media, as he was creating it! | Ayesha M S |
| RB | Thomas B | Thomas can sometimes find it difficult to know what to do at playtimes and to join in games with his friends. This week, he has really worked hard on 'his right to play' and has joined in brilliantly with his friends in RB. Great job Tom! | Joshua C-V |

JAM Courses

MAC Makes Music's JAM courses provide an exciting opportunity for parents/ carers and their children to come together to make and enjoy music with others. Activities will enable children to:

- Explore a wide range of **musical games** to encourage **communication** and **social skills** through teamwork
- Explore a wide range of songs to help develop **aural, pitch, rhythm** and **vocal skills**
- Develop **movement, co-ordination** and **fine motor skills**
- Experience **sensory stimulation** through listening, playing and identifying different instruments.

Children will explore a range of resources including music technology, percussion and tuned instruments with activities tailored to individual needs and interests.
